Administrate certification bodies

With this form you can decide, which certification bodies can collect new certificates and administrate the addresses of the company.

If a certification body is no longer registered here, although it issued a certificate, this certification body can only view the issued certificate. It is not authorised to administrate the addresses of the plant and the head office anymore.

List of certification bodies accredited against 45011 and which have signed a contract with the IFS owners:

Certification body	Contact person	
TEST	Ms. Wendy Ehsemann E-mail: support@ifs-online.eu Telephone: +49 123 123 123 Fax: +49 124 124 124	Edit
